

AutoContact

```
classDiagram
    class AutoContactTerminal["AutoContactTerminal"]
    class AutoContact["AutoContact"]
    AutoContactTerminal --|> AutoContact
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'AutoContactTerminal'. A vertical blue line with an upward-pointing arrowhead connects it to a white box labeled 'AutoContact' positioned above it. This indicates that 'AutoContactTerminal' inherits from 'AutoContact'.
